GOVERNMENT OF THE HUNGARIAN PEOPLE’S REPUBLIC AND THE  
GOVERNMENT OF THE HELLENIC REPUBLIC FOR THE AVOIDANCE OF  
DOUBLE TAXATION WITH RESPECT TO TAXES ON INCOME AND ON CAPITAL**

*General disclaimer on the Synthesised text document*

This document presents the synthesised text for the application of the Convention between the Government of the Hungarian People’s Republic and the Government of the Hellenic Republic for the avoidance of double taxation with respect to taxes on income and on capital signed on May 25, 1983 (hereinafter referred to as “the Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Hungary and the Hellenic Republic on June 7, 2017 (hereinafter referred to as “the MLI”).

The document was prepared on the basis of the position of Hungary submitted to the Depository upon ratification on 25 March 2021 and of the MLI position of the Hellenic Republic submitted to the Depository upon ratification on 30 March 2021. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on this Convention.

The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

Dates of the deposit of instruments of ratification, acceptance or approval: 25 March 2021 for Hungary and 30 March 2021 for the Hellenic Republic.

Entry into force of the MLI: 1 July 2021 for Hungary and for the Hellenic Republic.

This document provides specific information on the dates on or after which each of the provisions of the MLI has effect with respect to the Convention throughout this document.

Unless it is stated otherwise elsewhere in this document, the provisions of the MLI have effect with respect to the Convention:

- i. with respect to taxes withheld at source on amounts paid or credited to non-residents, where the event giving rise to such taxes occurs on or after 1 January 2022;
- ii. with respect to all other taxes, for taxes levied with respect to taxable periods beginning on or after 1 January 2022.

In accordance with paragraph 1 of Article 36 of the MLI, the provisions of Part VI (Arbitration) of the MLI shall have effect with respect to this Convention:

- i. with respect to cases presented to the competent authority of a Contracting State (as described in subparagraph a) of paragraph 1 of Article 19 (Mandatory Binding Arbitration) of the MLI), on or after 1 July 2021; and

In accordance with paragraph 2 of Article 36 of the MLI, Part VI (Arbitration) of the MLI will apply to a case presented to the competent authority of a Contracting State prior to 1 July 2021 only to the extent that the competent authorities of both Contracting States agree that it will apply to that specific case.

(4) The provisions of paragraphs 1 and 3 shall also apply to the income from immovable property of an enterprise and to income from immovable property used for the performance of independent personal services.

## *ARTICLE 7*

### **BUSINESS PROFITS**

(1) The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

(2) Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

(3) In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

(4) No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

(5) Where profits include items of income which are dealt with separately in other Articles of this Convention, then the provisions of those Articles shall not be affected by the provisions of this Article.

## ARTICLE 8

### SHIPPING AND AIR TRANSPORT

(1) Profits derived from the operation of ships engaged in international traffic shall be taxable only in the Contracting State in which the ships are registered or by which they are documented.

(2) Profits derived from the operation of aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

## ARTICLE 9

### ASSOCIATED ENTERPRISES

Where:

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

*The following paragraph 1 of Article 17 of the MLI applies and supersedes the provisions of this Convention:*

#### ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of the Convention and the competent authorities of the Contracting States shall if necessary consult each other.

## ARTICLE 10

### DIVIDENDS

(1) Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

(2) However, such dividends may also be taxed in the Contracting State of which the company paying the dividends is a resident and according to the laws of that State, but if the recipient is the beneficial owner of the dividends the tax so charged shall not exceed:

(a) 45% of the gross amount of the dividends if the company making the distribution is a resident of the Hellenic Republic, and

(b) 10% of the gross amount of the dividends if the company making the distribution is a resident of the Hungarian People's Republic.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of these limitations.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

(3) The term "dividends" as used in this Article means income from shares, or "jouissance" shares or "jouissance" rights, mining shares, founders' shares, other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the laws of the State of which the company making the distribution is a resident.

(4) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(5) Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except in so far as such dividends are paid to a resident of that other State or in so far as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

## ARTICLE 11

(1) Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such interest may also be taxed in the Contracting State in which it arises and according to the laws of that State, but if the recipient is the beneficial owner of the interest the tax so charged shall not exceed 10% of the gross amount of the interest. The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

(3) Notwithstanding the provisions of paragraphs 1 and 2 of this Article interest arising in a Contracting State and derived:

(a) by the Government of the other Contracting State including local authorities thereof or

(b) by the Central Bank of that other Contracting State

shall be exempt from taxation in the first-mentioned Contracting State.

(4) The term "interest", as used in this Article, means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such

securities, bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

(5) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(6) Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(7) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest paid, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payment shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

## *ARTICLE 12*

### ROYALTIES

(1) Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, royalties of the kind referred to in sub-paragraph (b) of paragraph 3 may be taxed in the Contracting State in which they arise, and according to the law of that State but the tax so charged shall not exceed 10% of the gross amount of the royalties.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of these limitations.

(3) The term "royalties" as used in this Article means payments of any kind received as a consideration:

(a) for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematograph films, and films or tapes for television or radio broadcasting;

(b) for the use of, or the right to use, any patent, trade mark, design or model, plan, secret formula or process, or for the use of, or the right to use industrial, commercial, or scientific equipment, or for information concerning industrial, commercial, or scientific experience.

In such case the provisions of Article 7 or 14, as the case may be, shall apply.

(5) Royalties shall be deemed to arise in a Contracting State where the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or fixed base in connection with which the obligation to pay the royalties was incurred and the royalties are borne by that permanent establishment or fixed base, then the royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(6) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Convention.

(1) Items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Convention shall be taxable only in that State.

(2) The provisions of paragraph 1 shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6, if the recipient of such income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the income is paid is effectively connected with such permanent establishment or fixed base. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

## *ARTICLE 23*

### CAPITAL

(1) Capital represented by immovable property, referred to in Article 6, owned by a resident of a Contracting State and situated in the other Contracting State, may be taxed in that other State.

(2) Capital represented by movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or by movable property pertaining to a fixed base available to a resident of a Contracting State for the purpose of performing independent personal services, may be taxed in that other State.

(3) Capital represented by ships or aircraft operated in international traffic and by movable property pertaining to the operation of such ships or aircraft, shall be taxable only in the Contracting State in which the profits from the aforesaid ships or aircraft are taxable according to the provisions of Article 8 of this Convention.

(4) All other elements of capital of a resident of a Contracting State shall be taxable only in that State.

## *ARTICLE 24*

### ELIMINATION OF DOUBLE TAXATION

The double taxation shall be eliminated as follows:

(a) In the Hungarian People's Republic:

(i) Where a resident of the Hungarian People's Republic derives income or owns capital which, in accordance with the provisions of this Convention may be taxed in the Hellenic Republic, the Hungarian People's Republic shall, subject to the provisions of subparagraphs (ii) and (iii), exempt such income or capital from tax.

(ii) Where a resident of the Hungarian People's Republic derives items of income which, in accordance with the provisions of Articles 10, 11 and 12, may be taxed in the Hellenic Republic, the Hungarian People's Republic shall allow as a deduction from the tax on the income of that resident an amount equal to the tax paid in the Hellenic Republic. Such deduction shall not, however, exceed that part of the tax, as computed before the deduction is given, which is attributable to such items of income derived from the Hellenic Republic.

(iii) Where in accordance with any provision of the Convention income derived or capital owned by a resident of the Hungarian People's Republic is exempt from tax in the Hungarian People's Republic, the Hungarian People's Republic may nevertheless, in calculating the amount of tax on the remaining income or capital of such resident, take into account the exempted income or capital.

(b) In the Hellenic Republic:

Where a resident of the Hellenic Republic derives income or owns capital which, in accordance with the provisions of this Convention, may be taxed in the Hungarian People's Republic, the Hellenic Republic shall allow:

(i) as a deduction from the tax on the income of that resident, an amount equal to the income tax paid in the Hungarian People's Republic;

(ii) as a deduction from the tax on the capital of that resident, an amount equal to the capital tax paid in the Hungarian People's Republic.

Such deduction in either case shall not, however, exceed that part of the income tax or capital tax, as computed before the deduction is given, which is attributable, as the case may be, to the income or the capital which may be taxed in the Hungarian People's Republic.

## *ARTICLE 25*

### NON-DISCRIMINATION

(1) Nationals of a Contracting State shall not be subjected in the other Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected. This provision shall, notwithstanding the provisions of Article 1, also apply to persons who are not residents of one or both of the Contracting States.

(2) The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

(3) Except where the provisions of Article 9, paragraph 4 of Article 11, or paragraph 4 of Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State. Similarly, any debts of an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable capital of such enterprise, be deductible under the same conditions as if they had been contracted to a resident of the first-mentioned State.

(4) Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

(5) The provisions of this Article shall, notwithstanding the provisions of Article 2, apply to taxes of every kind and description.

## *ARTICLE 26*

### MUTUAL AGREEMENT PROCEDURE

(1) Where a person considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with the provisions of this Convention, he may, irrespective of the remedies provided by the domestic law of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph 1 of Article 25, to that of the Contracting State of which he is a national. The case must be presented within three years from the first notification of the action resulting in taxation not in accordance with the provisions of the Convention.

(2) The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with the Convention. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

(3) The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Convention. They may also consult together for the elimination of double taxation in cases not provided for in the Convention.

(4) The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a Commission consisting of representatives of the competent authorities of the Contracting States.

*The following part VI of the MLI applies to this Convention:*

## PART VI OF THE MLI (ARBITRATION)

### *Article 19 (Mandatory Binding Arbitration) of the MLI*

#### 1. Where:

a) under paragraph 1 of Article 25 of this Convention, a person has presented a case to the competent authority of a Contracting State on the basis that the actions of one or both of the Contracting States have resulted for that person in taxation not in accordance with the provisions of this Convention; and

b) the competent authorities are unable to reach an agreement to resolve that case pursuant to paragraph 2 of Article 25 of the Convention, within a period of three years beginning on the start date referred to in paragraph 8 or 9 of Article 19 of the MLI, as the case may be (unless, prior to the expiration of that period the competent authorities of the Contracting States have agreed to a different time period with respect to that case and have notified the person who presented the case of such agreement),

any unresolved issues arising from the case shall, if the person so requests in writing, be submitted to arbitration in the manner described in this Part, according to any rules or procedures agreed upon by the competent authorities of the Contracting States pursuant to the provisions of paragraph 10 of Article 19 of the MLI.

2. Where a competent authority has suspended the mutual agreement procedure referred to in paragraph 1 of Article 19 of the MLI because a case with respect to one or more of the same issues is pending before court or administrative tribunal, the period provided in subparagraph b) of paragraph 1 of Article 19 of the MLI will stop running until either a final decision has been rendered by the court or administrative tribunal or the case has been suspended or withdrawn. In addition, where a person who presented a case and a competent authority have agreed to suspend the mutual agreement procedure, the period provided in subparagraph b) of paragraph 1 of Article 19 of the MLI will stop running until the suspension has been lifted.

3. Where both competent authorities agree that a person directly affected by the case has failed to provide in a timely manner any additional material information requested by either competent authority after the start of the period provided in subparagraph b) of paragraph 1 of Article 19 of the MLI, the period provided in subparagraph b) of paragraph 1 of Article 19 of the MLI shall be extended for an amount of time equal to the period beginning on the date by which the information was requested and ending on the date on which that information was provided.

4.a) The arbitration decision with respect to the issues submitted to arbitration shall be implemented through the mutual agreement concerning the case referred to in paragraph 1 of Article 19 of the MLI. The arbitration decision shall be final.

b) The arbitration decision shall be binding on both Contracting States except in the following cases:

i) if a person directly affected by the case does not accept the mutual agreement that implements the arbitration decision. In such a case, the case shall not be eligible for any further consideration by the competent authorities. The mutual agreement that implements the arbitration decision on the case shall be considered not to be accepted by a

person directly affected by the case if any person directly affected by the case does not, within 60 days after the date on which notification of the mutual agreement is sent to the person, withdraw all issues resolved in the mutual agreement implementing the arbitration decision from consideration by any court or administrative tribunal or otherwise terminate any pending court or administrative proceedings with respect to such issues in a manner consistent with that mutual agreement.

ii) if a final decision of the courts of one of the Contracting States holds that the arbitration decision is invalid. In such a case, the request for arbitration under paragraph 1 of Article 19 of the MLI shall be considered not to have been made, and the arbitration process shall be considered not to have taken place (except for the purposes of Articles 21 (Confidentiality of Arbitration Proceedings) and 25 (Costs of Arbitration Proceedings) of the MLI). In such a case, a new request for arbitration may be made unless the competent authorities agree that such a new request should not be permitted.

iii) if a person directly affected by the case pursues litigation on the issues which were resolved in the mutual agreement implementing the arbitration decision in any court or administrative tribunal.

5. The competent authority that received the initial request for a mutual agreement procedure as described in subparagraph a) of paragraph 1 of Article 19 of the MLI shall, within two calendar months of receiving the request:

a) send a notification to the person who presented the case that it has received the request; and

b) send a notification of that request, along with a copy of the request, to the competent authority of the other Contracting State.

6. Within three calendar months after a competent authority receives the request for a mutual agreement procedure (or a copy thereof from the competent authority of the other Contracting State) it shall either:

a) notify the person who has presented the case and the other competent authority that it has received the information necessary to undertake substantive consideration of the case; or

b) request additional information from that person for that purpose.

7. Where pursuant to subparagraph b) of paragraph 6 of Article 19 of the MLI, one or both of the competent authorities have requested from the person who presented the case additional information necessary to undertake substantive consideration of the case, the competent authority that requested the additional information shall, within three calendar months of receiving the additional information from that person, notify that person and the other competent authority either:

a) that it has received the requested information; or

b) that some of the requested information is still missing.

8. Where neither competent authority has requested additional information pursuant to subparagraph b) of paragraph 6 of Article 19 of the MLI, the start date referred to in paragraph 1 of Article 19 of the MLI shall be the earlier of:

a) the date on which both competent authorities have notified the person who presented the case pursuant to subparagraph a) of paragraph 6 of Article 19 of the MLI; and

b) the date that is three calendar months after the notification to the competent authority of the other Contracting State pursuant to subparagraph b) of paragraph 5 of Article 19 of the MLI.

9. Where additional information has been requested pursuant to subparagraph b) of paragraph 6 of Article 19 of the MLI, the start date referred to in paragraph 1 of Article 19 of the MLI shall be the earlier of:

a) the latest date on which the competent authorities that requested additional information have notified the person who presented the case and the other competent authority pursuant to subparagraph a) of paragraph 7 of Article 19 of the MLI; and

b) the date that is three calendar months after both competent authorities have received all information requested by either competent authority from the person who presented the case.

If, however, one or both of the competent authorities send the notification referred to in subparagraph b) of paragraph 7 of Article 19 of the MLI, such notification shall be treated as a request for additional information under subparagraph b) of paragraph 6 of Article 19 of the MLI.

10. The competent authorities of the Contracting States shall by mutual agreement pursuant to Article 25 of this Convention settle the mode of application of the provisions contained in this Part, including the minimum information necessary for each competent authority to undertake substantive consideration of the case. Such an agreement shall be concluded before the date on which unresolved issues in a case are first eligible to be submitted to arbitration and may be modified from time to time thereafter.

12. Notwithstanding the other provisions of this Article of the MLI:

a) any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for by the MLI shall not be submitted to arbitration, if a decision on this issue has already been rendered by a court or administrative tribunal of either Contracting State;

b) if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a decision concerning the issue is rendered by a court or administrative tribunal of one of the Contracting States, the arbitration process shall terminate.

*Article 20 (Appointment of Arbitrators) of the MLI*

1. Except to the extent that the competent authorities of the Contracting States mutually agree on different rules, paragraphs 2 through 4 of Article 20 of the MLI shall apply for the purposes of this Part.

2. The following rules shall govern the appointment of the members of an arbitration panel:

a) The arbitration panel shall consist of three individual members with expertise or experience in international tax matters.

b) Each competent authority shall appoint one panel member within 60 days of the date of the request for arbitration under paragraph 1 of Article 19 of the MLI. The two panel members so appointed shall, within 60 days of the latter of their appointments, appoint a third member who shall serve as Chair of the arbitration panel. The Chair shall not be a national or resident of either Contracting State.

c) Each member appointed to the arbitration panel must be impartial and independent of the competent authorities, tax administrations, and ministries of finance of the Contracting States and of all persons directly affected by the case (as well as their advisors) at the time of accepting an appointment, maintain his or her impartiality and independence throughout the proceedings, and avoid any conduct for a reasonable period of time thereafter which may damage the appearance of impartiality and independence of the arbitrators with respect to the proceedings.

3. In the event that the competent authority of a Contracting State fails to appoint a member of the arbitration panel in the manner and within the time periods specified in paragraph 2 of Article 20 of the MLI or agreed to by the competent authorities of the Contracting States, a member shall be appointed on behalf of that competent authority by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

4. If the two initial members of the arbitration panel fail to appoint the Chair in the manner and within the time periods specified in paragraph 2 of Article 20 of the MLI or agreed to by the competent authorities of the Contracting States, the Chair shall be appointed by the highest ranking official of the Centre for Tax Policy and Administration of the Organisation for Economic Co-operation and Development that is not a national of either Contracting State.

*Article 21 (Confidentiality of Arbitration Proceedings) of the MLI*

1. Solely for the purposes of the application of the provisions of this Part and of the provisions of this Convention and of the domestic laws of the Contracting States related to the exchange of information, confidentiality, and administrative assistance, members of the arbitration panel and a maximum of three staff per member (and prospective arbitrators solely to the extent necessary to verify their ability to fulfil the requirements of arbitrators) shall be considered to be persons or authorities to whom information may be disclosed. Information received by the arbitration panel or prospective arbitrators and information that the competent authorities receive from the arbitration panel shall be considered information that is exchanged under the provisions of this Convention related to the exchange of information and administrative assistance.

2. The competent authorities of the Contracting States shall ensure that members of the arbitration panel and their staff agree in writing, prior to their acting in an arbitration proceeding, to treat any information relating to the arbitration proceeding consistently with the confidentiality and nondisclosure obligations described in the provisions of this Convention related to exchange of information and administrative assistance and under the applicable laws of the Contracting States.

*Article 22 (Resolution of a Case Prior to the Conclusion of the Arbitration) of the MLI*

For the purposes of this Part and the provisions of this Convention that provide for resolution of cases through mutual agreement, the mutual agreement procedure, as well as the arbitration proceeding, with respect to a case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States:

a) the competent authorities of the Contracting States reach a mutual agreement to resolve the case; or

b) the person who presented the case withdraws the request for arbitration or the request for a mutual agreement procedure.

*Article 23 (Type of Arbitration Process) of the MLI*

(Alternative 2 – Independent opinion)

2. Except to the extent that the competent authorities of the Contracting States mutually agree on different rules, the following rules shall apply with respect to an arbitration proceeding:

a) After a case is submitted to arbitration, the competent authority of each Contracting State shall provide any information that may be necessary for the arbitration decision to all panel members without undue delay. Unless the competent authorities of the Contracting States agree otherwise, any information that was not available to both competent authorities before the request for arbitration was received by both of them shall not be taken into account for purposes of the decision.

b) The arbitration panel shall decide the issues submitted to arbitration in accordance with the applicable provisions of this Convention and, subject to these provisions, of those of the domestic laws of the Contracting States. The panel members shall also consider any other sources which the competent authorities of the Contracting States may by mutual agreement expressly identify.

c) The arbitration decision shall be delivered to the competent authorities of the Contracting States in writing and shall indicate the sources of law relied upon and the reasoning which led to its result. The arbitration decision shall be adopted by a simple majority of the panel members. The arbitration decision shall have no precedential value.

5. Prior to the beginning of arbitration proceedings, the competent authorities of the Contracting States shall ensure that each person that presented the case and their advisors agree in writing not to disclose to any other person any information received during the course of the arbitration proceedings from either competent authority or the arbitration panel. The mutual agreement procedure under the Convention, as well as the arbitration proceeding under this Part, with respect to the case shall terminate if, at any time after a request for arbitration has been made and before the arbitration panel has delivered its decision to the competent authorities of the Contracting States, a person that presented the case or one of that person's advisors materially breaches that agreement.

*Article 24 (Agreement on a Different Resolution) of the MLI*

2. Notwithstanding paragraph 4 of Article 19 of the MLI, an arbitration decision pursuant to Part IV of the MLI shall not be binding on the Contracting States and shall not be implemented if the competent authorities of the Contracting States agree on a different resolution of all unresolved issues within three calendar months after the arbitration decision has been delivered to them.

*Article 25 (Costs of Arbitration Proceedings) of the MLI*

In an arbitration proceeding under this Part, the fees and expenses of the members of the arbitration panel, as well as any costs incurred in connection with the arbitration proceedings by the Contracting States, shall be borne by the Contracting States in a manner to be settled by mutual agreement between the competent authorities of the Contracting States. In the absence of such agreement, each Contracting State shall bear its own expenses and those of its appointed panel member. The cost of the chair of the arbitration panel and other expenses associated with the conduct of the arbitration proceedings shall be borne by the Contracting States in equal shares.

*Article 26 (Compatibility) of the MLI*

2. Any unresolved issue arising from a mutual agreement procedure case otherwise within the scope of the arbitration process provided for in this Part shall not be submitted to arbitration if the issue falls within the scope of a case with respect to which an arbitration panel or similar body has previously been set up in accordance with a bilateral or multilateral convention that provides for mandatory binding arbitration of unresolved issues arising from a mutual agreement procedure case.

3. Nothing in this Part shall affect the fulfilment of wider obligations with respect to the arbitration of unresolved issues arising in the context of a mutual agreement procedure resulting from other conventions to which the Contracting States are or will become parties.

*Subparagraph a) of paragraph 2 of Article 28 (Reservations) of the MLI*

Pursuant to Article 28(2)(a) of the Convention, Hungary formulates the following reservation(s) with respect to the scope of cases that shall be eligible for arbitration under the provisions of Part VI.

1. Hungary reserves the right to exclude from the scope of Part VI any case that falls within the scope of application of the Convention on the Elimination of Double Taxation in Connection with the Adjustment of

Profits of Associated Enterprises (90/436/EEC) as amended or any subsequent regulation replacing, amending or updating these rules.

2. Hungary reserves the right to exclude from the scope of Part VI any case that falls within the scope of application of the COUNCIL DIRECTIVE (EU) 2017/1852 of 10 October 2017 on tax dispute resolution mechanisms in the European Union or any subsequent regulation replacing, amending or updating these rules.
3. Hungary reserves the right to exclude from the scope of Part VI – on a case-by-case basis – any case where penalties were imposed in relation to the adjusted income or capital for tax fraud, wilful default and gross negligence in accordance with Hungary’s domestic rules included in Section 41/J. paragraph (12) of the Act XXXVII of 2013 on Certain Rules of International Administrative Cooperation in Relation to Taxes and Other Public Duties. Any subsequent provision replacing, amending or updating these rules would also be included in this reservation. Hungary shall notify the Depository of any such subsequent provision.
4. Hungary reserves the right to exclude from the scope of Part VI any case which the competent authorities of both Contracting Jurisdictions agree are not suitable for arbitration. Such agreement shall be reached before the date on which arbitration proceedings would otherwise have begun and shall be notified to the person who presented the case.
5. Hungary reserves the right to exclude from the scope of Part VI any case which relates to questions of dispute relating to income or capital earned in a tax year commencing before 1 January 2018.

Pursuant to Article 28(2)(a) of the Convention, the Hellenic Republic formulates the following reservation(s) with respect to the scope of cases that shall be eligible for arbitration under the provisions of Part VI.

1. The Hellenic Republic reserves the right to exclude from the scope of Part VI cases in respect to which application has been filed under the Convention on the Elimination of Double Taxation in connection with the Adjustment of Profits of Associated Enterprises (90/436/EEC) –as amended- or any subsequent regulation.
2. The Hellenic Republic reserves the right to exclude from the scope of Part VI cases involving the application of domestic anti-abuse rules.
3. The Hellenic Republic reserves the right to exclude from the scope of Part VI cases concerning items of income or capital that are not taxed by a Contracting Jurisdiction because they are not included in the taxable base in that Contracting Jurisdiction or because they are subject to an exemption or zero tax rate provided under the domestic tax law of that Contracting Jurisdiction.
4. The Hellenic Republic reserves the right to exclude from the scope of Part VI cases involving conduct for which the taxpayer or a person acting on behalf of the taxpayer has been found guilty by a court for tax fraud or other criminal offense.

## *ARTICLE 27*

### EXCHANGE OF INFORMATION

(1) The competent authorities of the Contracting States shall exchange such information as is necessary for carrying out the provisions of this Convention or of the domestic laws of the Contracting States concerning taxes covered by the Convention insofar as the taxation thereunder is not contrary to the Convention. The exchange of information is not restricted by Article 1. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under the domestic laws of that State and shall be disclosed only to persons or authorities (including courts and administrative bodies) involved in the assessment or collection or the enforcement or prosecution in respect of, or the determination of appeals in relation to, the taxes covered by the Convention. Such persons or authorities shall use the information only for such purposes. They may disclose the information in public court proceedings or in judicial decisions.

(2) In no case shall the provisions of paragraph 1 be construed so as to impose on a Contracting State the obligation:

(a) to carry out administrative measures at variance with the laws or the administrative practice of that or of the other Contracting State;

(b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

(c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process or information, the disclosure of which would be contrary to public policy (*ordre public*).

## ARTICLE 28

### MEMBERS DIPLOMATIC OR CONSULAR MISSIONS

Nothing in this Convention shall affect the fiscal privileges of members of diplomatic or consular missions under the general rules of international law or under the provisions of special agreements.

*The following paragraph 1 of Article 7 of the MLI applies and supersedes the provisions of this Convention:*

#### ARTICLE 7 OF THE MLI – PREVENTION OF TREATY ABUSE (*Principal purposes test provision*)

Notwithstanding any provisions of this Convention, a benefit under this Convention shall not be granted in respect of an item of income or capital if it is reasonable to conclude, having regard to all relevant facts and circumstances, that obtaining that benefit was one of the principal purposes of any arrangement or transaction that resulted directly or indirectly in that benefit, unless it is established that granting that benefit in these circumstances would be in accordance with the object and purpose of the relevant provisions of this Convention.

## ARTICLE 29

### ENTRY INTO FORCE

(1) The Contracting Parties shall notify each other that the constitutional requirements for the entry into force of this Convention have been complied with.

(2) This Convention shall enter into force sixty days after the date of the latter of the notifications referred to in paragraph 1 and its provisions shall apply:

(a) in respect of taxes withheld at source to amounts of income derived on or after the first day of January in the calendar year next following the year in which the latter of the notifications referred to in paragraph 1 of this Article is given and subsequent years;

(b) in respect of other taxes to taxable periods beginning on or after the first day of January of the year in which the latter of the notifications referred to in paragraph 1 of this Article is given.

## ARTICLE 30

### TERMINATION

This Convention shall remain in force until terminated by one of the Contracting Parties. Either Contracting Party may terminate the Convention, through diplomatic channels, by giving notice of termination at least six months before the end of any calendar year following after the period of five years from the date on which the Convention enters into force. In such event the Convention shall cease to have effect:

(a) in respect of taxes withheld at source to amounts of income derived in the calendar year following the year in which the notice of termination is given and subsequent years;

(b) in respect of other taxes to taxable periods beginning on or after the first day of January of the year following the year in which the notice of termination is given.

In witness whereof the undersigned, duly authorized hereto, have signed this Convention.

Done in duplicate in Budapest this 25th day of May 1983, in the English language, both texts being equally authentic.

## **PROTOCOL**

At the signing today of the Convention between the Government of the Hungarian People's Republic and the Government of the Hellenic Republic for the avoidance of double taxation with respect to taxes on income and on capital the undersigned have agreed upon the following provisions which shall form an integral part of the Convention.

### **Ad Article 5 and 7**

According to the information given by the Hellenic delegation the provisions of paragraph 3, Article 5, subparagraph 2 of paragraph 5, Article 5 fully correspond to the general conditions of the Conventions for the avoidance of double taxation concluded recently by the Hellenic Republic.

No profit can be attributed to the permanent establishment by reason of delivery of goods or merchandise, machinery or equipment notwithstanding that the delivery was carried out by the enterprise or by a third person.

It is understood that the term "place of business" includes also a place of production.

Concerning Article 7 where a building site, construction, installation or assembly project constitute a permanent establishment only those profits can be attributed to that permanent establishment which derive from the activity of the building site, construction, installation or assembly project.

### **Ad Article 10**

It is agreed that, since the difference between the provisions of subparagraph (a) and those of subparagraph (b) of paragraph 2 of Article 10 is based on the fact that according to the Hellenic income tax on legal entities as in force at the date of signature of the Convention dividends paid by a company which is a resident of the Hellenic Republic are deductible in the computation of the profits of the company paying the dividends, the two Governments will undertake the review of the provisions of paragraph 2 when the basis of such difference no longer exists. Until the review has been completed the aggregate Hellenic tax on dividends and on the profits out of which the dividends are paid shall not exceed 45%.

In witness whereof the undersigned, duly authorized thereto, have signed this Protocol.

Done in duplicate in Budapest this 25th day of May 1983, in the English language both texts being equally authentic.
