GOVERNMENT OF THE HUNGARIAN PEOPLE'S REPUBLIC AND THE  
GOVERNMENT OF THE REPUBLIC OF INDONESIA FOR THE AVOIDANCE OF  
DOUBLE TAXATION AND THE PREVENTION OF FISCAL EVASION WITH  
RESPECT TO TAXES ON INCOME**

***General disclaimer on the Synthesised text document***

This document presents the synthesised text for the application of the Agreement between the Government of the Hungarian People's Republic and the Government of the Republic of Indonesia for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income signed on October 19, 1989 (hereinafter referred to as “the Convention”), as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Hungary and Indonesia on June 7, 2017 (hereinafter referred to as “the MLI”).

The document was prepared on the basis of the position of Hungary submitted to the Depositary upon ratification on 25 March 2021 and of the MLI position of Indonesia submitted to the Depositary upon ratification on 28 April 2020. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on this Convention.

The authentic legal texts of the Convention and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Convention are included in boxes throughout the text of this document in the context of the relevant provisions of the Convention. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Convention (such as “Covered Tax Agreement” and “Convention”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the Convention or to the Convention must be understood as referring to the Convention as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

(a) has and habitually exercises in that State an authority to conclude contracts in the name of the enterprise, unless the activities are limited to those mentioned in paragraph 4 which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph; or

## *ARTICLE 7*

### BUSINESS PROFITS

(1) The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to (a) that permanent establishment; (b) sales in that other State of goods or merchandise of the same or similar kind as those sold through that permanent establishment, or (c) other business activities carried on in that other State of the same or similar kind as those effected through that permanent establishment.

(2) Subject to the provisions of paragraph 3, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

(3) In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment, including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere. However, no such deduction shall be allowed in respect of amounts, if any, paid (otherwise than towards reimbursement of actual expenses) by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission, for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the permanent establishment. Likewise, no account shall be taken, in the determination of the profits of a permanent establishment, for amounts charged, (otherwise than towards reimbursement of actual expenses), by the permanent establishment to the head office of the enterprise or any of its other offices, by way of royalties, fees or other similar payments in return for the use of patents or other rights, or by way of commission for specific services performed or for management, or, except in the case of a banking enterprise, by way of interest on moneys lent to the head office of the enterprise or any of its other offices.

(4) No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

(5) For the purpose of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

(6) Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

## *ARTICLE 9*

### ASSOCIATED ENTERPRISES

(1) Where

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State,

and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would,

but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

*The following paragraph 1 of Article 17 of the MLI applies and supersedes the provisions of this Convention:*

#### ARTICLE 17 OF THE MLI – CORRESPONDING ADJUSTMENTS

Where a Contracting State includes in the profits of an enterprise of that Contracting State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other Contracting State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned Contracting State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other Contracting State shall make an appropriate adjustment to the amount of the tax charged therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of the Convention and the competent authorities of the Contracting States shall if necessary consult each other.

The competent authorities of the Contracting State shall by mutual agreement settle the mode of application of these limitations.

The provisions of this paragraph shall not affect the taxation of the company in respect of the profits out of which dividends are paid.

(3) The term "dividends" as used in this Article means income from shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the taxation laws of the State of which the company making the distribution is a resident.

(4) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(5) Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment or a fixed base situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividend paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

### *ARTICLE 11*

#### INTEREST

(1) Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such interest may also be taxed in the Contracting State in which it arises, and according to the laws of that State, but if the recipient is the beneficial owner of the interest the tax so charged shall not exceed 15% of the gross amount of the interest.

The competent authorities of the Contracting State shall by mutual agreement settle the mode of application of these limitations.

(3) Notwithstanding the provisions of paragraph 2, interest arising in a Contracting State and derived by the Government of the other Contracting State including local authorities thereof, the Central Bank or any financial institution controlled by that Government, or interest derived on loans guaranteed by that Government shall be exempt from tax in the first-mentioned State.

(6) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with (a) such permanent establishment or fixed base, or with (b) business activities referred to under (c) of paragraph 1 of Article 7. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(7) Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment or fixed base, then such interest shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(8) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

## *ARTICLE 12*

### ROYALTIES

(1) Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such royalties may also be taxed in the Contracting State in which they arise, and according to the laws of that State, but if the recipient is the beneficial owner of the royalties, the tax so charged shall not exceed 15% of the gross amount of the royalties.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of this limitation.

(3) The term "royalties" as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work, including cinematograph films. or films or

(4) The provisions of paragraphs 1 and 2 shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise through a permanent establishment situated therein, or performs in that other State independent personal services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with (a) such permanent establishment or fixed base, or with (b) business activities referred to under (c) of paragraph 1 of Article 7. In such case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(5) Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment or a fixed base in connection with which the liability to pay the royalties was incurred, and such royalties are borne by such permanent establishment or fixed base, then such royalties shall be deemed to arise in the State in which the permanent establishment or fixed base is situated.

(6) Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.
